

NWFed

AGM 6 July 2022

Nominations for new Board Members

The AGM of the Northwest Fed will take place on 6 July 2022 at the People's History Museum Manchester. It will form part of our latest *In Conversation* event - *Co-production & Working with Communities* - full of details of which can be found here <https://nwfedmuseums-co-curation.eventbrite.co.uk/>

The AGM gives our Associate Members* the opportunity to nominate candidates for election to the Board of the Federation at the meeting. There are six places available. Find out more about the opportunities and experience of Board Membership here - <https://www.nwfed.org.uk/nwfed-needs-you-could-you-be-one-of-our-new-board-members-9917.html>

The procedure is simple (obviously the person you put forward will need to have agreed to be nominated!).

Send the name and contact details of your nominee, plus a short statement from them on their skills and interests to info@nwfed.org.uk by 5pm on Wednesday 22 June. Voting, if required, will take place at the AGM.

We know people working and volunteering in our sector in the North West are facing many challenges at present. But we also know what a talented, creative and resourceful bunch you are! That's why we think the Fed – an organisation run by the members for the members – is more important than ever.

We look forward to your nominations.

Andy Pearce

Individual members Secretary

(*Associate Members are anyone who has currently paid the personal subscription (£12) or works or volunteers at one of our paid-up institutional member institutions)
